USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

for 2024**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

- e. Mare Championship (Breeding Stock)
 - f. Stallion Championship (Breeding Stock)
4. Only a single set of Sport Horse Prospect and Breeding Stock In-Hand DSHB qualifying classes may be offered per competition. These classes must be open to all horses and ponies of the appropriate age and sex, and not subject to any entry restriction.
 5. A separate qualifier championship class must be held for all divisions, even those that have only one class or one horse in the division. All horses must be re-evaluated by the judge(s) at both the walk and the trot in the championship class per DR210. If any one of the judges adjudicating this class has not previously judged all the horses in this class, conformation must also be reevaluated on every horse.
 6. Qualifier championship classes must be open to first and second place winners of their respective In-Hand qualifying classes as listed in Chart 2 below. Organizers have the option of including third placed horses in qualifier championship classes. No scores are given. Ties are not allowed. The champion and reserve champion of each division at each qualifier event are eligible to compete in their respective ProElite/USDFBCS final championship class. A third-place horse in each championship class must be named as well.
 7. Current Year Foals ARE NOT ALLOWED in Filly Championship and Colt/Gelding Championship classes. Fillies of Current Year and Colts/Geldings of Current Year will compete in the same Current Year Foal Championship.
 8. Four-Year-Old Prospect mares and Four-Year-Old Prospect stallions/geldings will compete against each other in the same Four-Year-Old Prospect Championship.
 9. Mare classes may be divided by age, competition and/or breeding status (as of January 1st of the current competition year), as in the following examples:
 - a. Four-Year-Old & Older Maiden Mares
 - b. Four-Year-Old & Older Yeld Mares
 - c. Four-Year-Old & Older Broodmares
 10. Stallion classes may be divided by age, competition and/or breeding status, as in the following examples:
 - a. Four-Year-Old & Older Stallions Showing Only In-Hand
 - b. Four-Year-Old & Older Stallions Showing Also Under Saddle
 11. Note the following clarification on “stallion”: No geldings may compete in the ProElite/USDFBCS classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.
 12. Each horse may only enter the ProElite/USDFBCS qualifying class(es) for which it is eligible and may only qualify for the specific ProElite/USDFBCS championship class(es) for that division(s). Four-Year Old Mares & Stallions may show in both the Four-Year Old Prospect class AND their respective Breeding Stock class.
 13. Geldings of any age may NOT show in breeding stock classes/categories. Geldings, age four and under, may show ONLY in sport horse prospect classes.
 14. All classes must be judged using the correct scoresheet for appropriate category percentages. Sport horse prospects four years old and under MUST be evaluated on the current USDF Dressage Sport Horse Prospect In-Hand scoresheets and mare and stallion breeding stock MUST be evaluated on the current USDF Dressage Sport Horse Breeding Stock scoresheets.
 15. During awards ceremonies, each division champion and reserve champion must be named ProElite/USDFBCS qualifying champions and reserve champions for the show and be awarded a qualifier ribbon that is supplied to the show by USDF. Announcements must identify sponsors and horses' breeding information. If a champion and/or reserve has already qualified for a final, the third-placed horse from the pertinent qualifying championship class will be eligible to compete in a final. Qualifying ribbons are still awarded to the champion and reserve champion, the third-place horse will not receive a qualifier ribbon.
 16. Any horse receiving a 75.000% or higher in its age/sex class is eligible to compete in the ProElite/USDFBCS finals, independent of whether they go forward to a qualifying championship class.
 17. A list of qualified horses is maintained on the USDF website.
 18. All champions and reserve champions will be eligible to compete in **ANY** ProElite/USDFBCS final, regardless of where qualification is earned, but may compete in only **one** series final competition per calendar year.

C. CONDUCT OF SERIES FINAL IN-HAND CHAMPIONSHIP CLASSES

1. At least two USEF DSHB judges must officiate in each series final class. Placings will be determined by the average of all judges' scores.
2. Ties in series final classes must remain unbroken. Examples:
 - a. If there are two champions, there is not a reserve champion.

9. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of the championship if an error or violation is discovered.
10. Owner must enter the qualified horse in the horse's appropriate ProElite/USDFBCS Materiale Championship class prior to commencement of the class. The horse is NOT automatically entered in the class because the horse qualified earlier in the day or at another show. ProElite/USDFBCS final events must agree to allow late entries in the ProElite/USDFBCS Materiale Championship classes for horses that qualified for the championship after the official closing date.
11. Management must collect all USDF non-member, membership and/or horse registration/HID applications and related fees prior to the start of a series final class for eligible entries to compete in the class. Should the required USDF non-member, membership or horse registration/HID applications and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its series final class may result.
